Flowing spaces meet
impeccable design for a
most elevated experience

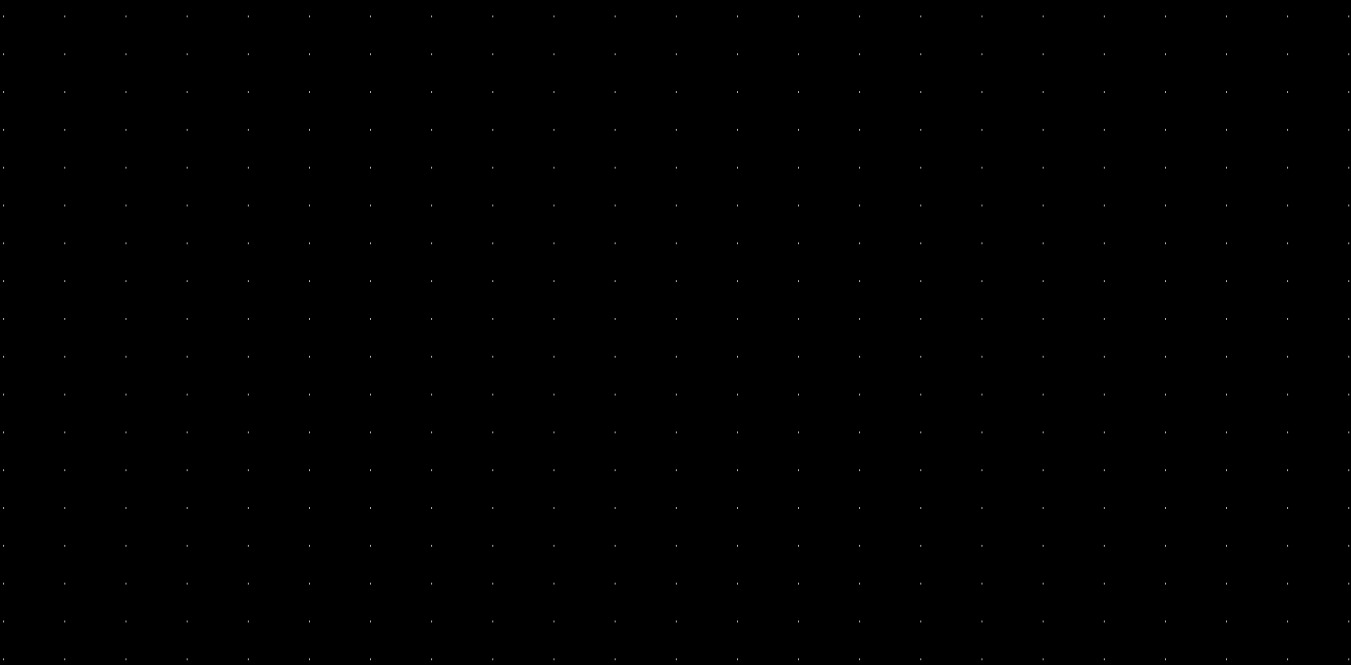

TREND

Born with style

An extraordinarily valuable collection of mosaic decors that takes...

Glass Tiles to a new dimension.

Infinite

Glass mosaic collection that showcases the fluidity of design, featuring curved tesserae arranged in new artistic patterns.

The idea of infinity is so great that it cannot be measured. It describes something that is bigger than everything else-nothing can be bigger than what is infinite. An idea that can easily describe the power of this new mosaic collection to transform people's lives with amazing and unlimited designs.

The decors in the Infinite collection have a straight or curved line design and the color can be flat or deep-the possibilities are endless.

Scale

Infinite

Infinite Scales

Scales 1

Scales, overlapping
and intertwined,
create a hypnotic
pattern that dances
and moves with
the light.

Infinite Scales

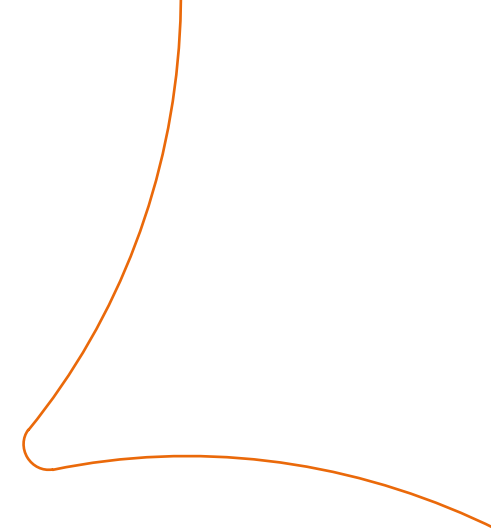

Scales 2

A lush
paradise for
a life rooted
in nature

Infinite Scales

Karma cathedral glass, with a history of thousands of years, is reinterpreted and cut with the water-jet technique to create perfect, extremely deep curved design.

Scales 3

Leaves

Infinite

Infinite Leaves

Leaves 1

A wide range of designs inspired by nature that express the power of color.

Infinite Leaves

Every leaf is unique and original and in continuous movement. Leaves decoration is a repetition of uniquely colored pieces that together create a constant and vibrant movement just as in nature.

Leaves 2

A naturally
occurring
decoration, and
Karma glass
enhances its
beauty.

DropS

Infinite

Infinite Drops

Drops 1

The design evokes drops and curved geometric shapes that repeat endlessly to create an infinite surface.

Infinite Drops

The colors of Karma glass are very intense and are able to blend with the decoration. The effect of depth is assured particularly in tiny spaces.

Drops 2

Infinite Drops

Drops 3

Drops may seem the same, but are actually different from one another, just like glass mosaic tiles.

Shape and size make each tile unique.

Once you enter this pattern, your entire ambiance will become unique.

You will see a new and renewed atmosphere.

Infinite Chain

Chain1

Infinite Chain

The Chain pattern has the largest sized pieces, offers a great value and the refraction of light is especially beautiful.

Chain 2

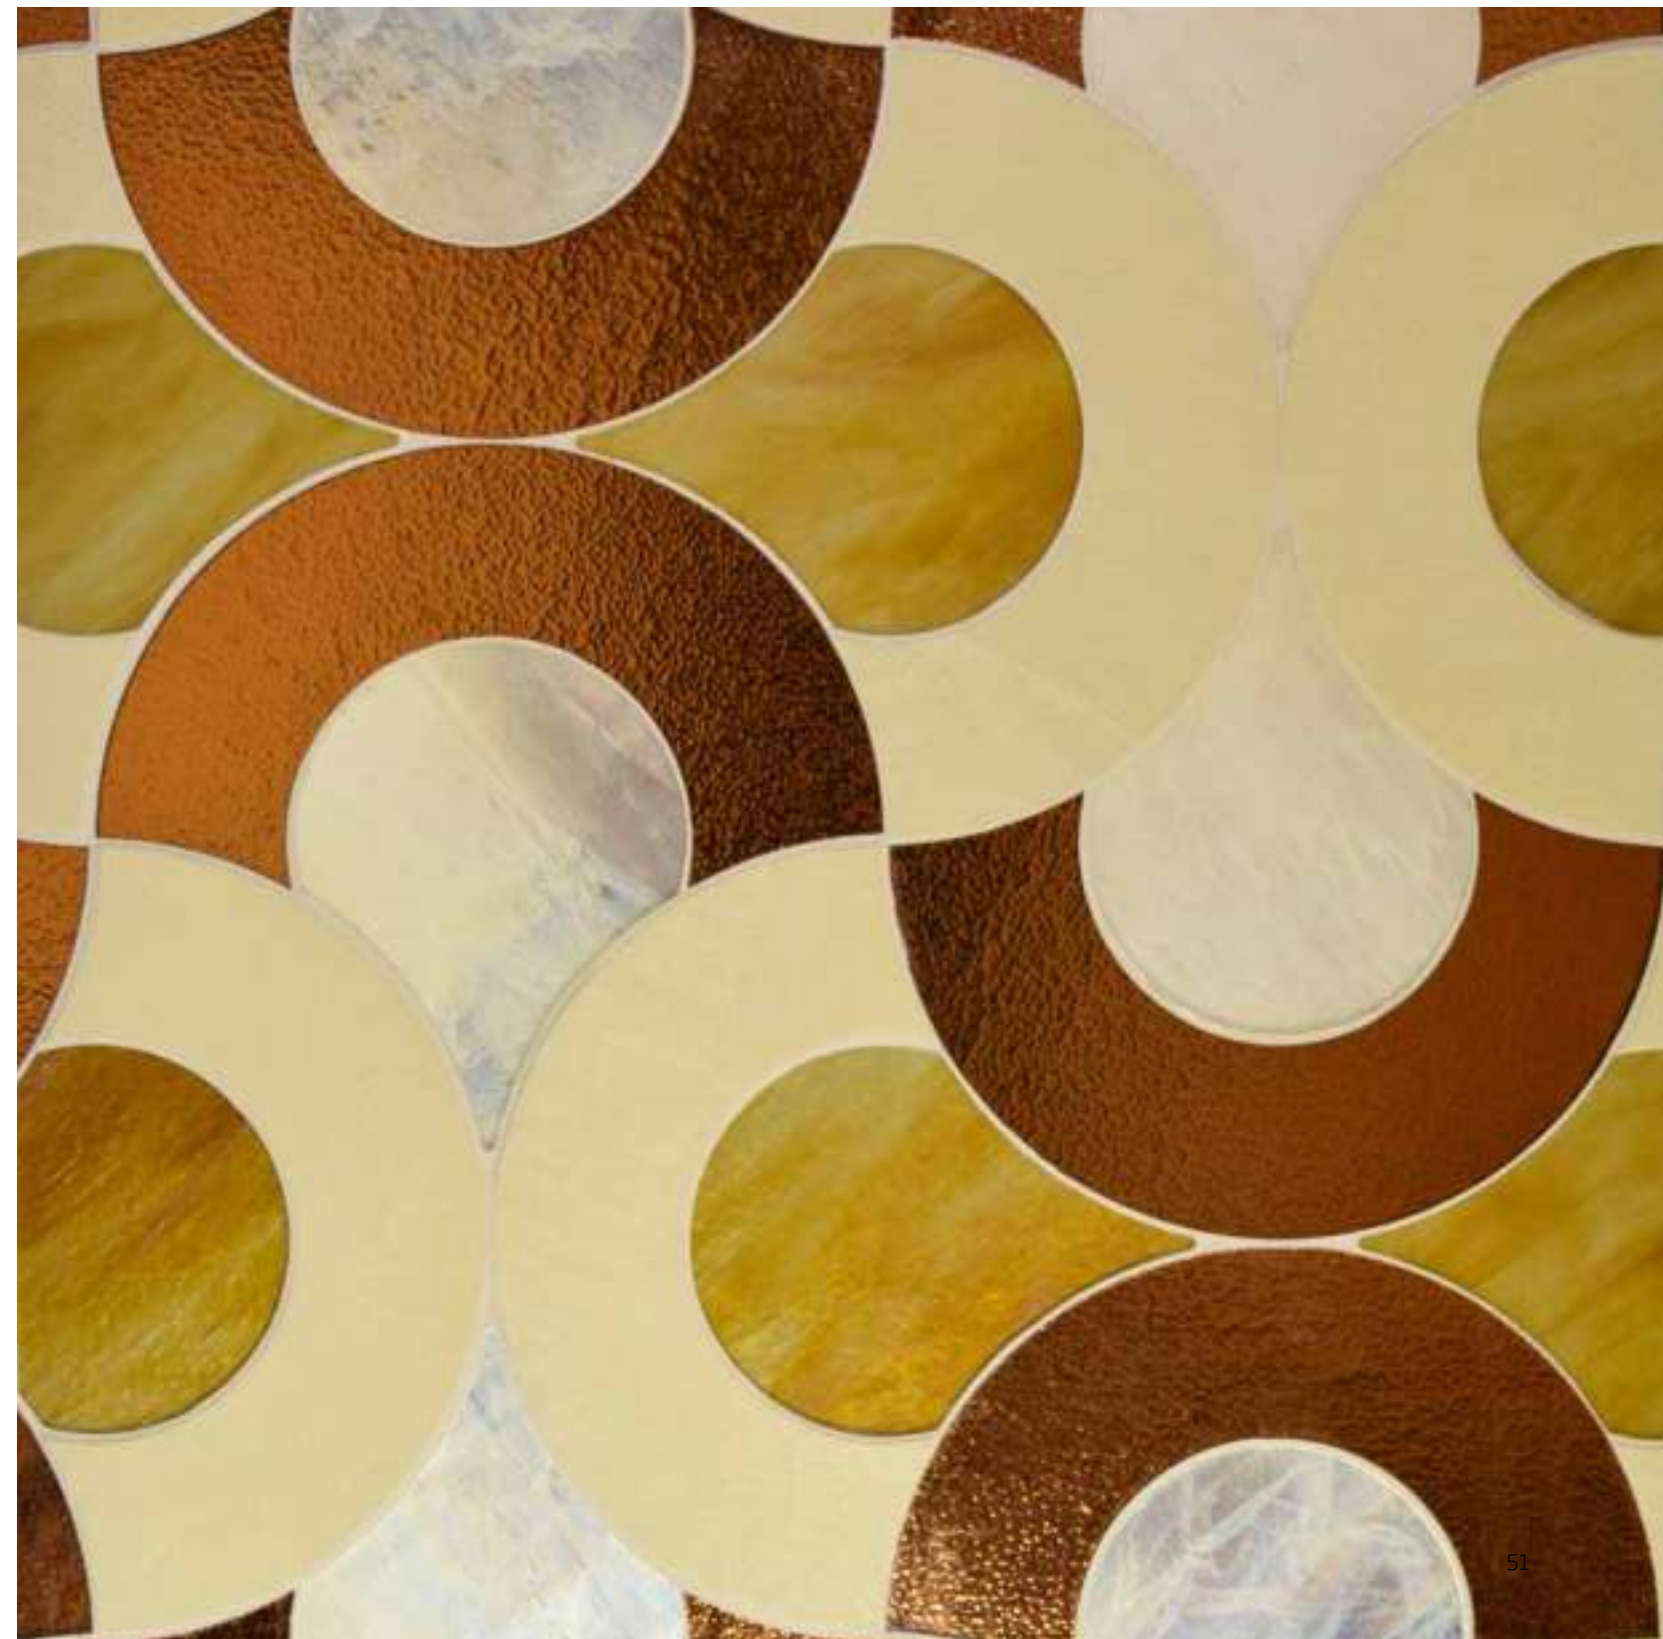

Chain is inspired by the string of decorations that twist and weave in a continuous movement.

Infinite Chain

Chain 3

Semicircles and drops intertwined with one another in a continuous, fluid pattern.

Flowers

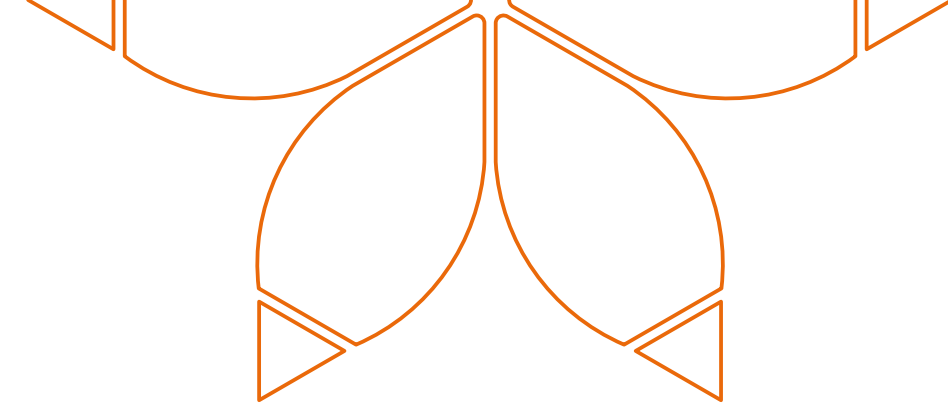

Infinite

Infinite Flowers

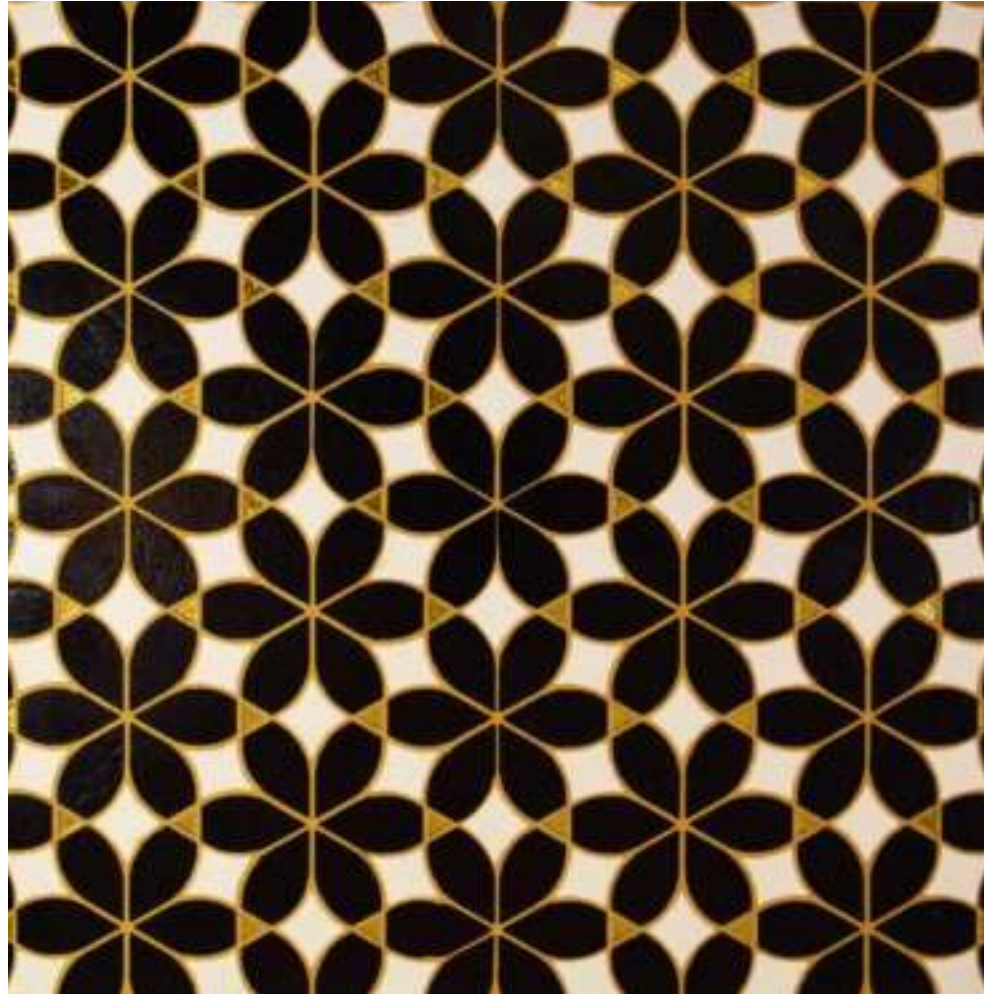

Flower 1

Flowers decoration is
a geometric stylized
design composed as a
concentric and hypnotic
pattern that creates an
infinite beauty.

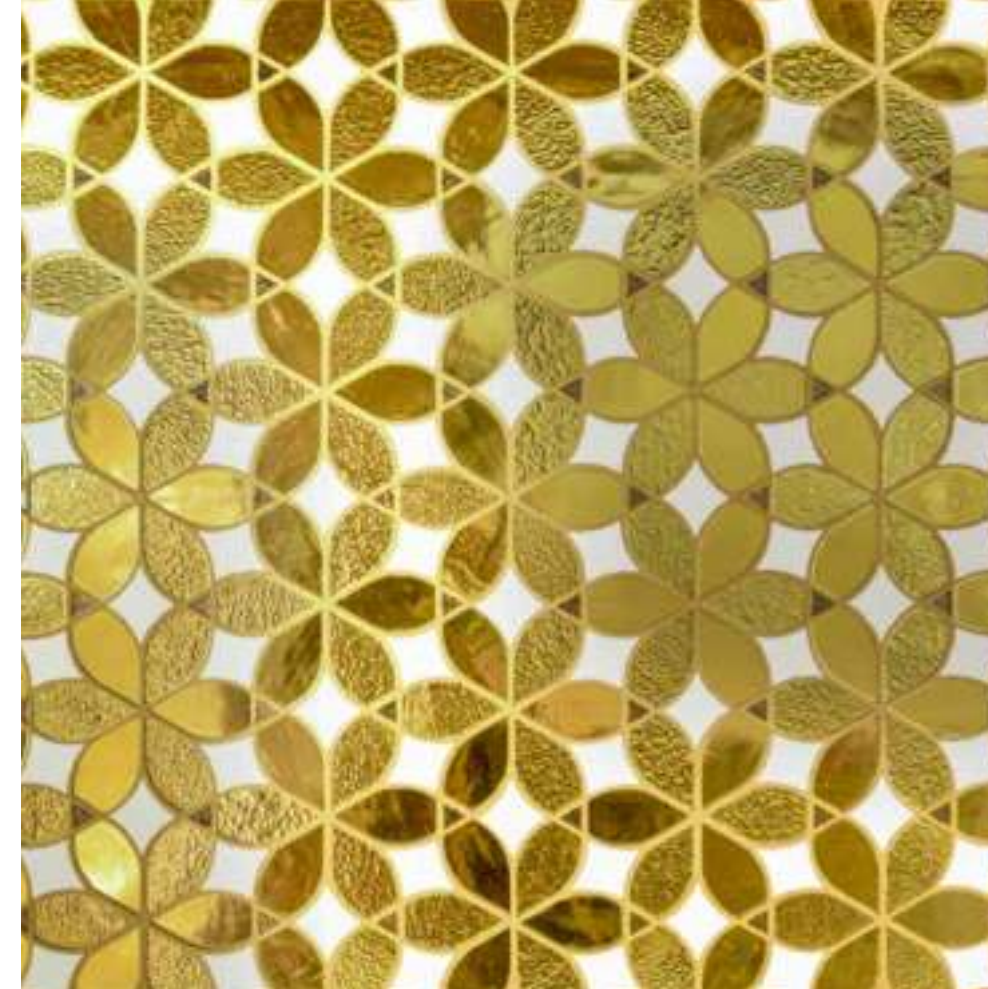

Infinite Flowers

Flower 2

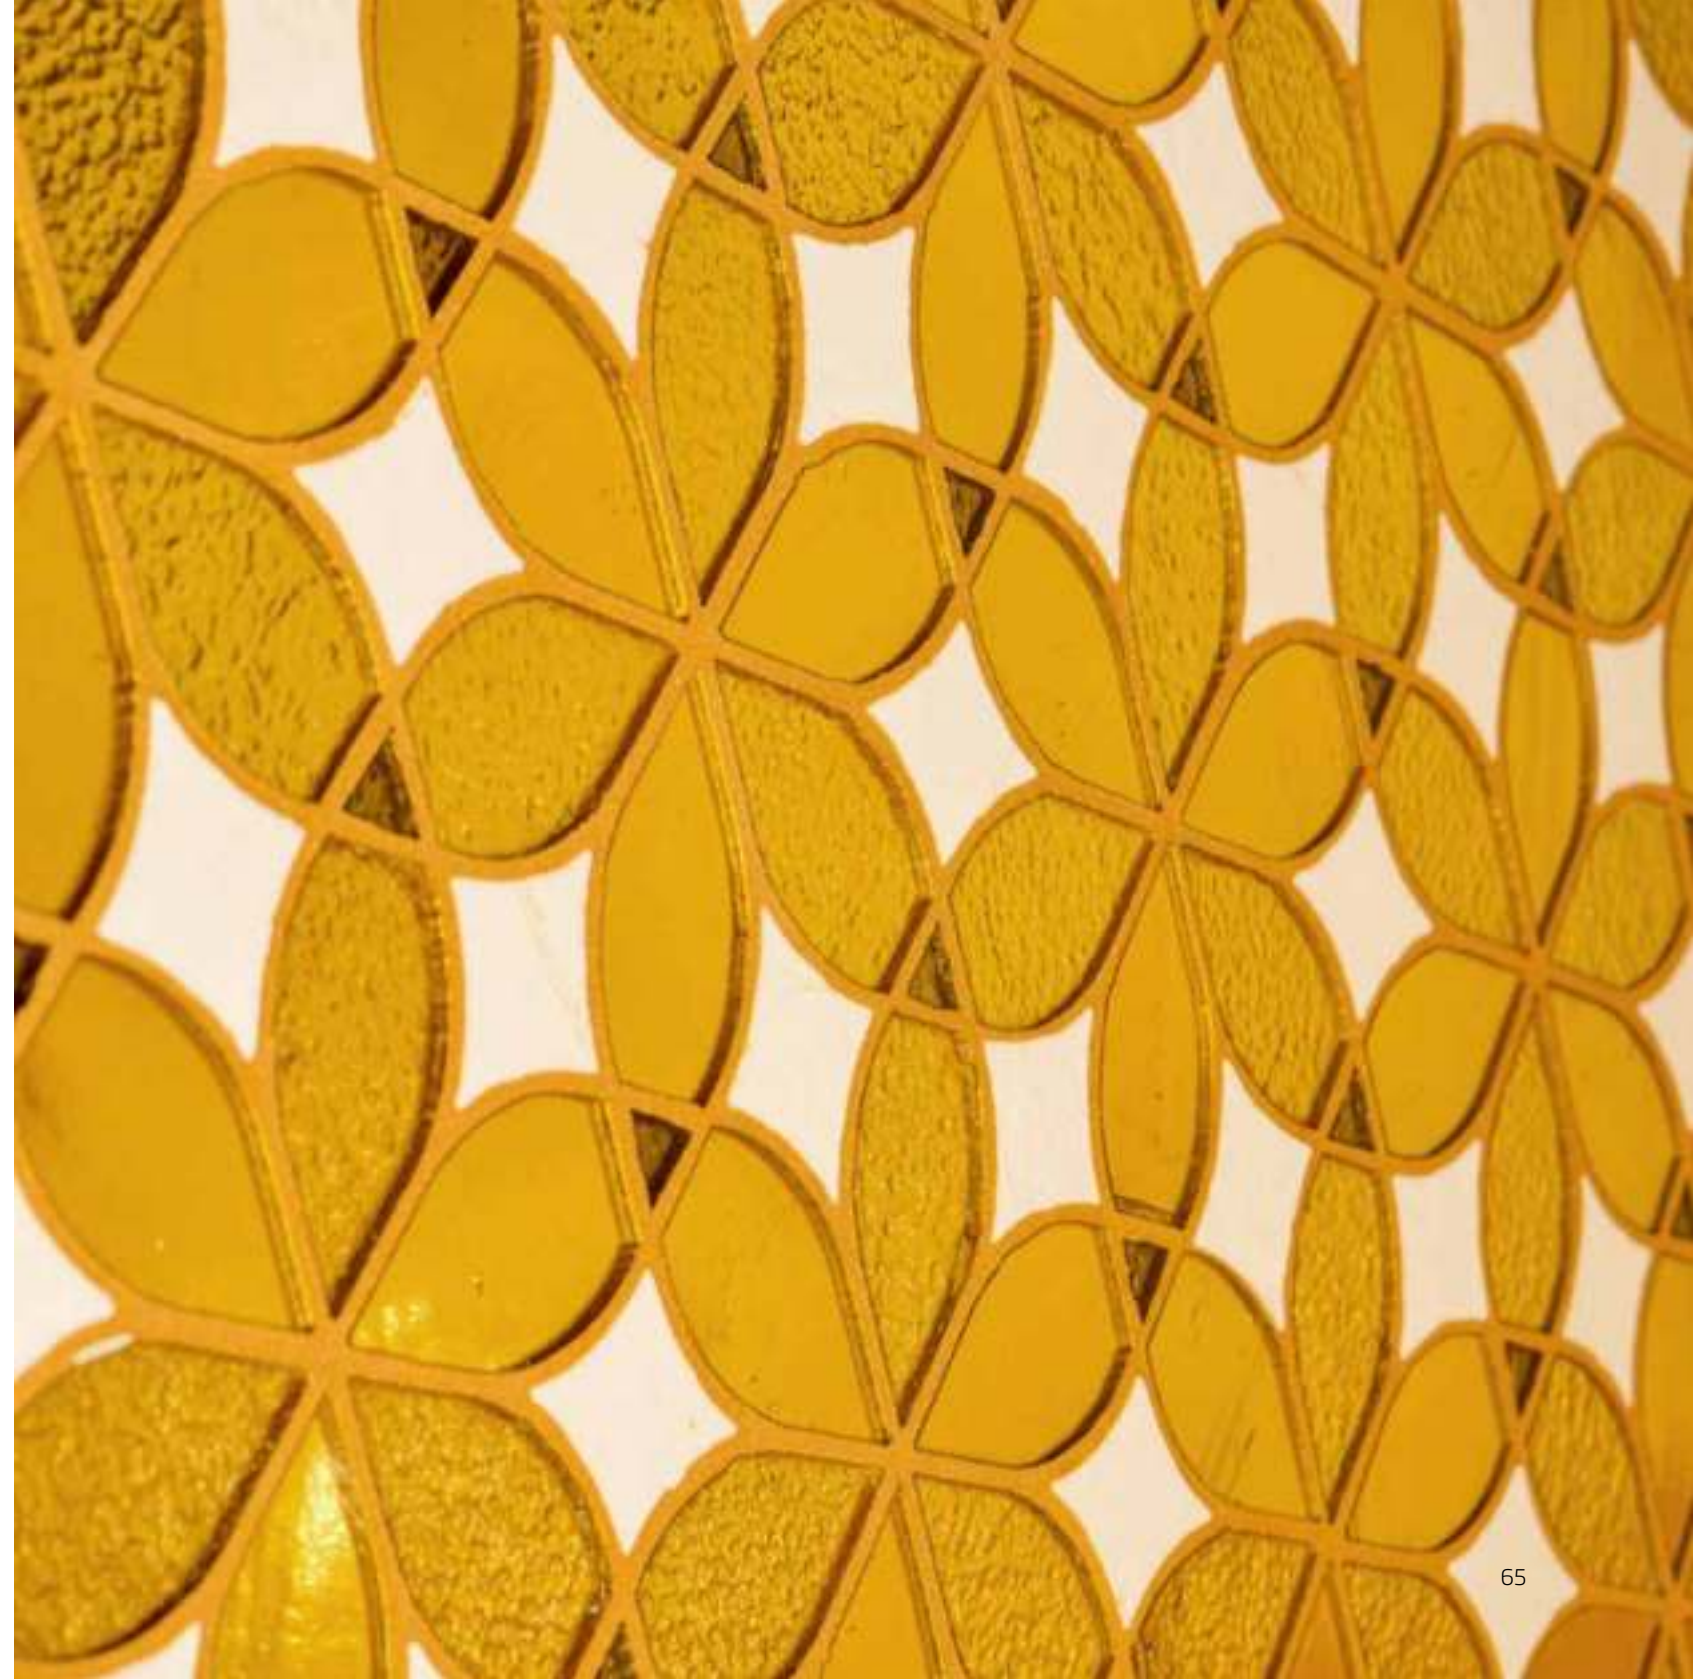

Infinite Flowers

Flower 3

Karma glass is
able to recreate
feelings and
emotions through
the shades of its
color palette.

Ornaments

Infinite

Ornaments
pattern is a design
reminiscent of
Arabian decorations.
It becomes very
modern thanks to
the color of Karma
glass, infinite shades
of tones.

Infinite Ornaments

Ornaments 1

The curved line created by the water-jet technique becomes sinuous and flexible, an infinite design of great beauty.

Infinite Ornaments

Ornaments 2

Thoughtfully-
designed
wellness spaces
that nurture
healing.

Infinite Ornaments

Ornaments 3

Classical decoration
is always beautiful
because of its
eternity and balance.
Lines that move and
join each other in an
infinite play of forms.

Artis Topaz

A texture that can
cover large-size areas
like a previous and
complete work of art.

Artis Diamond

These geometric pattern designs are inspired by the technique of mosaicist **Gian Domenico Facchina**, recognized as the inventor of modern mosaic. His innovative reverse on paper method revolutionized the art of mosaic, creating flatter and more uniform surfaces. It also facilitated the preparation of large size mosaic in workshops, allowing for their efficient installation in various locations. One of the first projects in which Facchina adopted this technique was the creation of the mosaics of the Paris Opera in 1858.

Artis Diamond

Artis Opal

Artis Opal

Artis is a texture that utilizes the 1x1 and 1x2 cm sizes. These are standard mosaic sizes and are the perfect canvas to create any artistic mosaic works of art.
