

SANCREA

HOTEL - CAFE - RESTAURANT - PROJECT

Where our story begins. **SANCREA**

Our brand Sancrea is working to offer a wide range of products to our valued customers, with its meticulous work from the procurement of raw materials to processing and transforming them into their final form. It takes important steps in the development of the sector with the support given to the R&D studies of the manufacturers operating in the furniture sector. In addition, our company Sancrea aims to be among the leading companies serving the Horeca sector. Hotel, restaurant, cafe, bar, architectural offices etc. has adopted the principle of being a long-term project partner of organizations. It has proven and accepted its quality in all provinces of Turkey and around the world through its domestic and international wide sales network and supplier supplier furniture manufacturers. With our structure that symbolizes the starting point of innovation, we are struggling with more excitement for you every day. We are pleased and proud to serve you, our valued customers, with our quality products, with our qualified team of 460 people in our production facilities of 72.000 m² in total.

Designed with fine mastery

sancrea.com

LABOR, QUALITY AND SIMPLICITY.

We present our new collection with new styles and designs suitable to every period. Welcome to our SANCREA New collection.

SANCREA

Journey of design

Our long and labor-filled journey results in our designs being designed by expert hands, paying attention to new season trends and appropriate fabric proportions, and producing unique and quality products with our machines produced with high-end technology.

Sancrea will always continue to beautify your living spaces with advanced and modern designs.
